## **AGM - Trustees Report**

A wide-angle photograph of a coastal scene at sunset. The sky is filled with dramatic, layered clouds in shades of blue, grey, and white. The horizon shows a calm sea meeting a bright, golden-yellow sky. In the foreground, a sandy beach is visible with scattered, low-lying rock formations partially submerged in the water. Waves are crashing onto the shore, creating white foam. The overall atmosphere is peaceful and scenic.

# 2026 International Year of Volunteers for Sustainable Development

384 known volunteer hours in 2025 from people who don't live in East Haven but love the place

Everybody can contribute and play a part in helping achieve the community vision over the coming years.

Every action counts and makes a difference

Alone we can do  
so little  
Together we can  
do so much
